Chief Hearings Examiner  
Dear Sir:

I am in receipt of a notice of application for in situ uranium mining permit by Uranium Resources, Inc. on their lease block eight miles south of Kingsville, Texas and adjacent Farm Road 1118 in Kleberg County, Texas. The Proposed Permit No. UR-02677 apparently will pertain to some acreage in which I own royalty interest and is under uranium mining lease conveyed to Uranium Resources, Inc. by lessor Exxon Minerals ~~Inc.~~ U.S.A.

In particular this interest is within Farm Lots 11, 13 and 14 Block 50 of The Kleberg Town and Improvement Subdivision. My family own oil and gas royalty interest in Lot 12 but I do not know the status of Lot 12 in regard to other minerals.

Will you please inform me of the Farm Lot numbers which delineate the area involved in development under Proposed Permit No. UR-02677

Yours Truly
